This list is meant to assist, not intimidate. Use it as a touchstone for important concepts and vocabulary that we will cover during the term.

Literary Terms and Definitions S - Carson-Newman College

Philosophy of language is the reasoned inquiry into the nature, origins, and usage of language. As a topic, the philosophy of language for Analytic Philosophers has been concerned with four central problems: the nature of meaning, language use, language cognition, and the relationship between language and reality.

Philosophy of language - New World Encyclopedia

The advantage of adding cache constraints is that they have the potential to partially or completely eliminate some interactions, improving efficiency, scalability, and user-perceived performance by reducing the average latency of a series of interactions.

Architecture is a picture book of economic and social history. The rise of America's middle class during the mid-20th century can be traced in the movement from 1920s-era Bungalows to the practical homes that evolved in rapidly expanding suburbs and exurbs, especially in areas with a high population density.

Guide to Mid-Century Homes, 1930 - 1965 - ThoughtCo

This commentary reviews the position articulated in an article published in 2004 that the business model prevalent in the automotive industry was inadequate to meeting the challenge of sustainability, and reviews the key developments since then.

Sustainable business models and the automotive industry: A

A worldview, conceptual framework, or model is a critical component of one's vision of the possibilities for human learning and development as it defines the important variables to consider and the relationships among those variables.
