Windows are strongly favored in work places for the daylight they deliver and the view out they provide, as long as they do not cause visual or thermal discomfort or a loss of privacy.

The Benefits of Daylight through Windows

child was staring out through the open window with dazed hor-ror in her eyes. In a chill shock of nameless fear Framton swung round in his seat and looked in the same direction. In the deepening twilight three figures were walking across the lawn toward the window; they all carried guns under their arms, and one of them was additionally burdened with a white coat hung over his shoulders. A ...
